Dear Readers/ Research Scholars,

In fact, Research is a rainbow of different aspects. Each one has its own importance and influence. IJSIMR is trying its level best to encourage the manifold directions of Mathematical research. The researchers are advised to utilize this opportunity and enrich the field of research. Keeping in view this goal, IJSIMR invites new innovative and thought provoking research articles.

From this issue we are starting another special feature by name “A Word of Appreciation “.In this, we are going to publish the constructive opinions of various eminent personalities throughout the world. I think that this feature will enlighten the efforts of IJSIMR.

The salient features of **International Journal of Scientific and Innovative Mathematical Research (IJSIMR)** are:

- ❖ Blind peer reviewed journal.
- ❖ Eminent and great scholars in IJSIMR-Editorial Board from throughout the world
- ❖ Prompt and rapid response to the authors according to the schedule.
- ❖ Simple and standard Template.
- ❖ Free English Language assistance from Academician's Research Center.
- ❖ Online and print versions in two formats (e-journal and Print) with reasonable cost.
- ❖ Issuing the Certificate of Publication to each Author with free of cost.
- ❖ Best Research Article Award will be given. For this, the minimum number of articles in that issue must be 10.

It gives me immense pleasure to inform you that the **Best Research Article Award** is given to **‘Mircea Ion Cîrnu & Valeriu Prepelită’** for the article entitled **“Hybrid Laplace Transformation”** in this Issue.

I humbly request the beloved authors to send the revised versions of their articles according to the comments of the revered reviewers without delay. If the authors respond in time, it will help us to launch the respective issue in the scheduled time.

With Best Regards
Dr.K.V.L.N.Acharyulu
